Rafting & Jeep Trail Tours

Colorado Comprehensive Guide School with
Mild to Wild Rafting and Jeep Trail Tours Inc.
Mild to Wild Rafting is conducting our annual 12-day instructional guide school
May 10 – 21, 2014 • (May 19 is a rest day) • 12 days on water

OUR COMPREHENSIVE COURSE

This program is for those participants who want to become a complete guide. We will cover all aspects of guiding a river trip: **boats, helmets, technical gear, leadership, group dynamics, meal preparation, crew orientation, river rescue, camp set up, guest service, interpretation, raft rigging, river navigation for multi-day and single day raft trips.**

Our program emphasizes river-reading techniques, rather than memorization of set routes. This enables our trainees to guide on class III water anywhere, not just on those sections previously run. We will spend two days on the Colorado River in Moab, UT; two days on the San Miguel River in Telluride, CO; and finish up on the Lower Animas in Durango, CO. We provide a state certified instructor for this guide training program. Upon completion, all participants will exceed the requirements for a Colorado class III river guide.

THE COST FOR THIS COURSE IS \$695

Full payment is due at time of enrollment- unless other arrangements are made. **Cancellation policy: Full refund minus \$100 with 14 days notice prior to start date, less than 14 day notice, no refund.**

This is an intensive course that emphasizes skill training in an inspiring outdoor setting of desert canyons and mountain river gorges. Tuition includes food on the overnight trips, as well as transportation from Durango on all training days.

It is highly recommended that participants take advantage of our thermal package, which includes: fleece jacket, fleece cap, wetsuit, wetsuit boots, and splash jacket. This package costs **\$50** for the course.

Sincerely,

Alex and Molly Mickel & The Mild to Wild Staff
