**Coming soon...Colorado's Spectacular Fall Colors**

DURANGO, Colo. - Mild to Wild Rafting and Jeep Trail Tours, Inc. announces its spectacular "Fall Color Jeep Trail Tours." Discover the Aspen leaves turning gold with contrasting red Gambel Oak Brush and green Lodgepole Pines on a custom safari, open air, 4x4 tour vehicle. Great panoramic vistas, views of the four corners, and photo opportunities await as guests climb above tree line to 12,000 feet in elevation. Our knowledgeable guides make the trip educational and fun.

Tours include the Silverton Ghost Town Jeep Trail Tour, La Plata Canyon Jeep Trail Tour and the popular Trails 'n Rails combination package, featuring the Million Dollar Skyway, mini ghost town jeep trail tour and the historic Durango & Silverton Narrow Gauge Railroad.

Experience the beautiful colors from the river valley on a raft, inflatable kayak or stand up paddleboard. Durango's Lower Animas River yields a mild rafting trip option great for ages 4 and up. For those looking to step up the adventure level, inflatable kayaking allows guests to take control of their own destiny in a smaller boat, which makes the waves bigger. Experience the newest craze in water sport on an instructional stand up paddleboard course.
