

10 day Instructional Guide School
June 3rd – June 12th, 2017

OUR STATE CERTIFIED COLORADO GUIDE SCHOOL

This program is for those participants who want to procure employment as a guide, or to learn the skills for private boating! We will cover all aspects of guiding a river trip: **oar and paddle rafting, helmets, technical gear, leadership, group dynamics, crew orientation, river rescue, guest service, interpretation, raft rigging and river navigation.**

Our program emphasizes river-reading techniques, rather than memorization of set routes. This enables our trainees to guide on Class III water anywhere, not just on those sections previously run. We provide a state certified instructor for this guide-training program. Upon completion, all participants will meet the requirements for a Colorado Class III river guide.

Cost: \$425

Payment – Due at time of enrollment (unless other arrangements are made).

Cancellation policy: Up to 14 days notice prior to start date, cancellation fee of \$100; less than 14 days notice, no refund.

It is highly recommended that participants take advantage of our thermal package, which includes: fleece jacket, fleece cap, wetsuit, wetsuit boots, and splash jacket. This package costs **\$50** for the course.

Space is limited! Reserve your spot today at (970) 247-4789!
